Maintenance Tips

For daily cleaning: Remove loose dirt and grit, dust mop, broom sweep, electric broom or vacuum.

- Do wipe up liquid or food spoils promptly with dry cloth or paper towels.
- Do remove sticky residue with a slightly dampened cloth.
- Do Not allow water to stand on your floor for a long time - wipe up immediately.
- Do Not allow furniture to rest on the floor on small metal tips or hard domes.
- Do Not leave your flooring exposed to direct sunlight for long periods of time.
